Fundraiser

Welcome to students, parents, and community stakeholders! The FHSA administration looks forward to working with you closely as we begin the 2014-15 school year. The administrators acknowledge the importance of building positive relationships to enhance learning opportunities for the students of FHSA!

The FHSA administration is pleased to announce that over **98% of the instructional staff have been recommended** for a position. **Professional Development begins July 24th** to equip our staff members with the necessary tools and training to implement key components of STEM and Project Lead The Way.

Congratulations to the new PTSA officers and board members who are planning exciting fund-raising events and back-to-school activities. **The Forest Heights STEM Academy goal is to achieve 100% PTSA participation!**

Uniform Implementation for the 2014-15 School Year

Monday-Thursday: Students may wear any color polo designated for their grade level (K-5: forest green, white, or light yellow; 6-8: navy, white, or yellow) and navy or khaki bottoms.

Fridays: Fridays will be an optional day when students can wear the Monday-Thursday uniform or they may wear a Forest Heights STEM Academy t-shirt (sold by PTSA) and khaki or navy pants.

Special Days—Dress uniforms can be worn any day the students wish but must be worn on special days designated by the administration (when welcoming special guests and other special events).
