Dear Parents/Guardians

We are so excited about the upcoming annual "Jog-a-thon". Every student received a jog-a-thon packet. Please continue to get pledges. All proceeds will support our awesome school garden.

The **TARDY POLICY** went into effect the week of September 8th, since that time we continue to have students arriving tardy to school. **Students that eat breakfast at school should arrive by 7:30 and be with their class before 7:58 to avoid being counted "tardy."** Please be advised that some students will be suspended from school next week. Once again, **the staff and I are respectfully requesting that you bring your child/children to school on time each day.**

Don't Miss Your Chance to Be in the PHE Directory!

The PHE Directory is nearing completion, but we are missing information for a lot of our students. The Directory is a great way for parents to contact each other and for students to be in touch with each other outside of school. Don't miss out on the chance to be included! To make sure you and your student are listed, please complete the form attached and send it to the PHE office by Wednesday, October 7. If you have questions, please contact Katherine Lu at 501.912.9241 or katherine.lu@sbcglobal.net.

Ad Opportunities Now Available for the PHE School Directory!

The PHE School Directory will feature ads from local businesses. Revenue generated from ad sales will offset printing costs. Any profit will go to support the programs of the PHE PTA. If you do not have a business you wish to promote, please consider underwriting a portion of the printing costs, so that valuable PTA funds can go directly to programs. To learn more or reserve your space, please contact Katherine Lu at katherine.lu@sbcglobal.net. Ad reservations, artwork and payment must be received by October 9, 2015. Ads and art files should be PDF or JPEG files.

Do you need some daily parenting tips? If so, check out the PHE page when you click on www.lrsd.org. You can click on schools and scroll down to Pulaski Heights Elementary and click on Parent Tip link; there you will find daily tips for parents.

The November Calendar of Events was sent home yesterday. It is also posted on our web site. You can access it following the same procedures for this newsletter.

PARENTS' CORNER: Some children are born perfectionists. This trait drives them to do their best work, but it can also cause them great stress. Perfectionists are also less likely to try new things because they believe they will not succeed. Explain to your child that no one is perfect and, letting them know that it's okay for fail on occasion, encourage them to take risks.

Sincerely,

Lillie Carter
Lillie Carter, Principal
