This professional development is designed to enhance an understanding of effective parental involvement strategies.

Contact Person: Sharon Johnson (501)447-2843

Three hours of professional development opportunities are also offered to our school administrators. ## **School Parent Compact**

Henderson Health Science Magnet Middle School and its parents build and develop a partnership to help children achieve the state's high academic standards. The school staff, parents, and students develop a school-parent-student compact. ## **Developing, Implementing, and Evaluating Title I, Part A**

Henderson Health Sciences Magnet Middle School has parent representatives who attend the monthly PTSA Council meetings and are becoming familiar with the process involved in school improvement planning and making decisions about the allocation of its Title I, Part A funds for parental involvement. To support this process, the school will offer both staff and parents training on how to contribute in a meaningful way. In an effort to take advantage of community resources, the school will recruit former alumni to attend meetings and provide advice and guidance for school improvement.

## **Resources for Parents**

Henderson Health Science Magnet Middle School promotes and supports responsible parenting. Parents are encouraged to take advantage of the School's Parent Resource Area which is located next to the main office. This area provides information to parents, students, teachers, and staff on many subjects regarding: parenting topics, behavior issues, discipline, depression, drug awareness, tips for completing homework, etc. Some of the items are available for "Parent Check-Out" through the Media Center. There is an office located in the media center which has a computer that is available to parents for checking grades on edline and to visit educational **web** sites. Parents are encouraged to view the Title I Plan located in the Library. Henderson Health Science Magnet Middle School has purchased books, magazines, and other informative material regarding responsible parenting.

Each year informational packets are distributed to parents that include: a copy of the school's parental involvement plan, a survey for volunteer interests, recommended roles for parents/teachers/students and the school, suggestions of ways parents can become involved in their child's education, parental involvement activities planned for the current school year and information about the system that is used to allow parents and teachers to have an open line of communication via, notes, phone call, e-mail and the agenda book.

Contact Person: Sharon Johnson (501)447-2843

## **Parent Involvement Evaluation**

Henderson Health Science Magnet Middle School will be engaging parents in an annual evaluation of the Title I, Part A Program's parental involvement efforts through a comprehensive needs assessment filled out by parents, teachers, and school staff. The Title I committee, made up of teachers, parents, and school staff will determine the effectiveness of the parent involvement plan and make any changes if warranted. This collection of evidence will also provide specific information on the (1) growth in number of parents participating in workshops and meetings; (2) specific needs of the parents; (3) the effectiveness of specific strategies and (4) the engagement of parents in activities that help to support student academic growth.

Contact Person: Sharon Johnson (501)447-2843

### Communication

There are several ways to keep up with your child and the events and opportunities at HMS.

#### Edline

All teachers are required to provide online grade information for all middle school and high school students via the edline system. To use the edline system, HMS must assign each student an edline code. Returning HMS students can use their edline codes from the previous year. All 6<sup>th</sup> graders will receive an edline code at the beginning of the school year. For questions or problems with your edline code or logging in, contact [Mickey.bates@lrsd.org](mailto:Mickey.bates@lrsd.org). Ms. Bates is our edline system administrator.

#### Parent Link

HMS uses the parent link system as a means of communication to parents.

#### HMS Website

The school maintains a website, [www.hendersonms.org](http://www.hendersonms.org) that provides access to the school calendar and other information.

#### Parental Concerns

##### **School Complaints Resolution Process**

There may be times when parents find they have concerns with their child's school or education. Henderson Middle School encourages parents to raise any issues or concerns so that they can be dealt with as soon as possible in a prompt and efficient manner.

Henderson has developed the following complaint resolution procedures that provide parents with guidelines to assist them in addressing their concerns. These protocols provide a framework that ensures parent concerns are treated seriously and that all issues raised are dealt with promptly and fairly while adhering to the highest level of conduct and concern.
